4. This Petition is filed to forestall the substantial and different litigation which had been commenced in or about 2012 by former employees of the Debtor who had been incited to seek inflated and unwarranted compensatory and punitive damages in various class actions. The litigation commenced with one employee and gradually increased in size until today where there are approximately several hundred employees represented in a Class Action. This litigation is pending in the United States District Court for the Southern District of New York. Recently the litigation had resulted in a default judgment alleged against the Defendant which resulted in an inquest on damages scheduled to be heard on November 9, 2016. The Debtor is in default and an Eviction Action had been commenced and which is pending in the New York Civil Court. No Warrant of Eviction has been issued. There is approximately \$125,000 alleged by the landlord to be due.

14. The Debtor believes that it will be able to negotiate a settlement with its creditors and propose a viable and confirmable Plan of Reorganization, to deal with the litigation creditors, the Debtor's accounts payable and the Debtor's landlord under a Plan combining the Debtor's proven ability to generate cash flow from the Debtor's operations, as well as from my own sources of funds.
